

# FIVE ALIVE

10/03/2009

Autumn has arrived with new Kiwanis leaders stirring. As of today, installation of Kiwanis Directors & Officers for the 2009-2010 administrative year is completed for 75 percent (8 of 12) of Division 5 clubs.

New Presidents should follow-up to assure the Secretary has submitted the September 2009 club report via the Online Reporting System by October 10. Secretary may input Kiwanis activities weekly, or every ten days (10/20/30), or once per month. Please submit a complete report by the tenth day each month.

October is “Every member recruit a new member” month. Kiwanis International President Paul Palazzolo has a goal of 7500 new Kiwanians in October. I encourage each President to view President Palazzolo’s message by video at <http://www.kiwanisone.org> then to Member Resources for his video message and do share the video message with all members especially the Membership Committee.

I have already recruited a new member (and paid dues) for Boonslick Kiwanis that is about half my age. We must continually sell Kiwanis and ask, ask, ASK folks to join help youth and all the Kiwanis efforts.

Governor Mike Grimes has launched an announcement of a special Governor’s Certificate to the first club from the MO/ARK District of Kiwanis International that recruits the first new member from one of the three categories (agriculture, clergy, or law enforcement) and pays the dues. The time of your email rules.

My notice of federal jury duty for October tops some of my scheduled Kiwanis events. Thus, the Growth & Service Summit for October 10 has been cancelled.

Changes occur for club meeting location, email addresses, telephone numbers, etc. New scoop is coming.
